

ORTHO DELIVERY
CABINETS

Artizan® Ortho Delivery Cabinets are specifically designed to meet the unique storage and workflow requirements of the Orthodontic and Pedodontic market. With the integrated delivery system, the cabinets provide the support of a fully functional treatment station. Artizan® Delivery Cabinets are offered in two models, OC2421 and OC2429, and are available with a caster or stainless steel base. As is standard with all Artizan® Dental Furniture, the Ortho Delivery Cabinets includes soft close drawers, solid nickel handles, ¾ inch panel construction, matching 3mm edgebanding and solid surface countertops.

The Midmark Procenter Specialty Cabinet Mounted delivery system features a control panel, pivoting instrument holders, a cabinet mounted water bottle system and an optional handpiece illumination system. The delivery system also includes Midmark's patented Kink Valve technology, providing an independent control system for each handpiece.

Control Panel
Mounted inside the cabinet, handpiece controls are concealed but accessible when needed.

Water Bottle System
Self contained water bottle system with city/bottle switch mounted to door for easy access.

Drawer System
Full extension, soft close drawers provide ample storage for supplies.

Lift up/Writing Surface
Top drawer features a lift-up writing surface for taking notes or an extra work surface.

CPU Compartment
Model OC2429 features a dedicated CPU compartment with cooling fan and duplex electrical outlet.

Monitor Mount
Several monitor mount options are available (double arm with keyboard model 029-5185-00 shown).

Midmark also makes other cabinets for the Orthodontic market, such as Artizan® Sink Islands and Brushing Stations. Standard models are shown below; however, custom models can be created if your practice requires a specialized design or size to meet your specifications. Standard features include soft close doors and drawers, solid nickel handles, ¾ inch panel construction, matching 3mm edgebanding, stainless steel bases and solid surface countertops. Waste chutes and undermount stainless steel sinks are also included.
